NAHCA Leadership Team sponsored a “ Go yellow event” to promote fall awareness in Long Term Care. Staff who wore yellow was placed in a drawing for door prizes and treats were handed out throughout the day.

Lori Porter Co-Founder and CEO of the National Association of Healthcare Assistants met with the NAHCA Leadership team on September 23rd. She did a motivational speech and spent some time 1:1 with the team to get them geared up for the coming year.

The NLT served funnel cakes and popcorn (on different days) to Veterans and staff to as an appreciation event.

NAHCA LT will be sponsoring a “Think pink” event to promote skin integrity. That will be October 17th. Anyone who wears pink that day can wear jeans and have their name put in a drawing for a door prize.

Hope this helps some.

Thanks

Dear Veterans, Family Members and Friends,

I cannot believe fall is upon us once again even though it is 76 degrees outside as I'm writing this letter! Thank you so much for giving the staff and myself the opportunity to care and serve you and your family. We are so blessed to have the best staff around, I'd gladly put our staff up against any staff in the state and I sure you we would come out on top! Having such a wonderful staff not only raises the bar and our expectations, but it motivates our staff and me to constantly strive to do better. I say to people all the time we are not perfect however working as One Team, with One Goal, which is Serving Veterans we will overcome any obstacle, rising to the occasion, and ultimately providing wonderful care and services to America's Heroes!

Moreover, our staff would not always be able to accomplish our goals without the support of all of you, our community and our Assistance League whose sole purpose is to raise donations which are used to enhance the quality of life of the

Veterans we serve. We sincerely appreciate your time, talents and donations as it will touch every Veteran in one way or another. Thank you for your time and support!

With the holiday season just around the corner, I like to remind you, families and friends that we are not allowed to receive gifts individually. Because we have such an awesome staff, people want to thank us for our service by giving gifts and though it's greatly appreciated, another way to do this is to donate to the Assistance League's "Employee Fund". This fund is monitored by the Assistance League and used for employee appreciation events throughout the year. If you have any questions regarding this please call Renee King, Assistant Administrator or Barbara Caldwell, Supervisor of Volunteer Services and they will assist you.

Please have a wonderful and safe holiday season and we look forward to seeing you on your next visit. As always, it is my privilege and honor to serve those who have served! I am blessed with a staff that believes in One Team, One Goal, Serving Veterans. Thank you to all who have served our country and those men and women currently serving.

Have a blessed holiday and take care!

Respectfully,

Brad Haggard, Administrator
