

# VETERANS HOME NEWS

CAPE GIRARDEAU, MISSOURI

SPRING 2014

## Volunteers Recognized

At the annual Volunteer Appreciation Banquet, held in April, all of the home's volunteers were thanked for their many hours of service. Each year, a few volunteers are highlighted as the Volunteers of the Year. Pictured above are the Volunteers of the Year for 2013. They are, left to right, Juanita Cook, Norman Brant, Marsha Parrish, Don Sides, and Ralph Barks. See Page 2 for a list of other volunteers who have volunteered for 100+ hours.

## Flag Day Golf Tournament

The 18th year for our Flag Day Golf Tournament proved to be another great success! Pictured above is the winning team representing the MO National Guard Recruiting & Retention Battalion. These guys are multi-talented; prior to playing a great game of golf they grilled the meat for lunch.

See Page 3 for complete list of sponsors and teams.

## Annual Picnic

Family and friends gathered on our back lawn for a wonderful day of food and fun at our annual Veteran/Family Picnic. We are thankful for the joint effort of our staff and volunteers, along with soldiers from the

1140th Battalion of the Army National Guard. This day was also made possible with the help and financial support from the Perryville Elks, some of whom are pictured below preparing the food for our meal. Its safe to say that a good time was had by all.

## What's New?

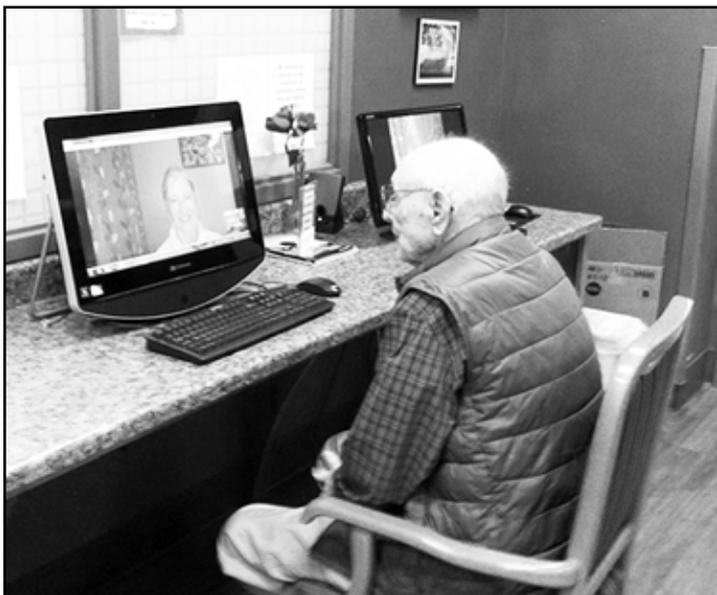

**NEW Activity Bus:** Veteran Jim Slinkard gives a thumbs-up to the new 15-passenger Activity Bus. This vehicle has ramp access, rather than a lift, making it easier and safer to load and unload. There is also more space in the bus for wheelchair lock-downs, meaning that more Veterans can participate in activities outside of the home.

The purchase of this vehicle was made possible by a generous bequest from the Estate of Ruby Estes. Ruby's son, Billy Estes, was a resident in our home. She stated in her will that this gift was being given to the home because of the good care that Billy received.

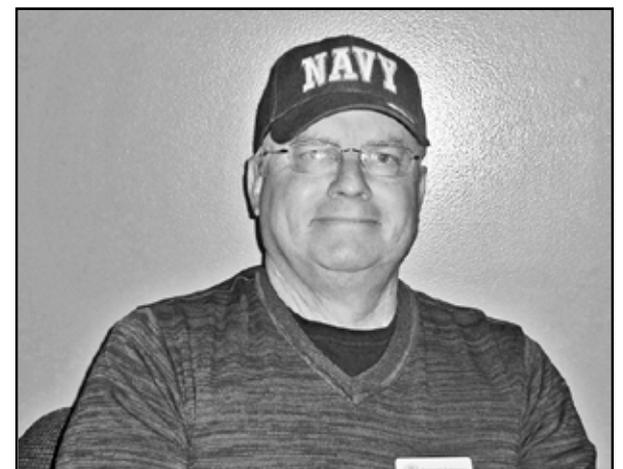

**NEW Piano:** Thanks to the generous donations from several individuals and organizations, we were able to purchase a new piano for our chapel. One of our Veterans, Ken Torbet, is shown here trying it out. We've been told by all who play it that the sound quality is wonderful. We are so fortunate to have this new addition to our chapel.

**NEW technology:** Our recreation room is equipped with computers for use by our Veterans. Many times it is used for games such as solitaire. It also makes it possible for our Veterans to communicate via Skype. Here Veteran Nathan Gunther is shown visiting with his granddaughter, LaSondra, who lives in Northwest Italy. They have not seen each other in over two years.

**NEW cross.** Lynn Akins makes crosses for a living. When he came to the home to visit a relative, he offered to make one for our chapel as a gift to all Veterans. What a beautiful addition to our chapel.

**NEW Ombudsman:** Jay Hoffer is the new Ombudsman for our Veterans Home. This is a volunteer position under the direction of the Missouri Long-Term Care Ombudsman Program. Jay will make regular visits to the home, and is here to listen and work with our Veteran residents to find solutions to problems. He can also provide the Veterans with information about their rights. His services are free and confidential. Although he is volunteer, he is supervised and trained by people who are experienced in working with residents in long-term care facilities. Jay lives in Perryville and is a retired Navy Veteran himself.

## Activities & Celebrations

Having fun on St. Patrick's Day are Eva Cannon with Veteran Carl Allgier. That is NOT Carl's real hair!

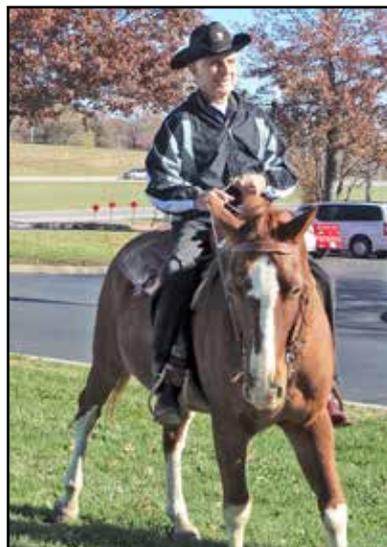

Easter brought out the kid in everyone. Staff on our Special Care Unit put on their bunny ears and hid Easter eggs. Several of the Veterans enjoyed finding the eggs and enjoying the goodies hidden inside.

Veteran Hal Grey helps his wife show off the quilt she made to raffle in support of the Alzheimer's Memory Walk. Volunteer Dee Mantos (left) sold numerous tickets to raised money for this worthwhile cause.

Members of the Jackson VFW Post 10495 presented their annual Loyalty Day Program at the Veterans Home on May 1st. Participating members are (l-r) Bob Phillips, Commander; Emil Brase, Jim Rochet, Dave Hitt, and Pauline Nitsch, Auxiliary member.

Thanks so much for the beautiful plant. Bennie loved all of you guys and he loved living there. Thanks to all for taking such good care of him. You guys made him happy and that meant the world to me!!

*Bennie Cross Family*

All of you working together at the Veterans Home have made it a home for both Mike and myself. I want to come back soon and visit my extended family that I have grown to love. The plant I will cherish as I love all plants and flowers. Thank you all and God bless.

*Martha & Derek Sheppard*

I just want to thank you all for the wonderful care that you gave my husband. He was not only my loving husband and companion but he was my best friend. It meant so much to me that he was getting caring professional help.

*Kathy Allen*

We appreciate all the care you gave our father and passing along to others the wonderful care you gave to John. Thank you for all you have done!!

*The John Huelsing Family*

Thank you so much for taking care of my dad, Ernest Beussink. We appreciate the plant that was sent and your thoughts and prayers.

*The Beussink Family*

Thank you so much for all you have done caring for Dad (Paul Elliott), making his last days comfortable. Also for the beautiful plant.

*The Paul Elliott Family*

We want to thank you for the lovely plant you sent us in memory of John Kenner.

Most importantly, we want to thank you for taking such good care of him the past 17 months. We were truly blessed to have had such kind and caring people. It was so comforting to us, to know he was safe and happy in your care. You are truly special people, and we know God will richly bless you for it.

*The Kenner-Webb family*

Thanks and appreciation for the beautiful peace lily you sent. I'll think of all you wonderful people at the Veterans Home when I'm tending to it. The love and care Leon received the two years he was at your home and especially on B Wing was not taken for granted and we both loved you all - staff and residents. In gratitude,

*Patsy Palmer*

Thank you for the great care and kindness you showed Dad the last several years. I know it's "your job" but I feel that many of you truly have a gift of sympathy and went above your normal "duty". Thank you again,

*The Family of Pete Snider*

Thank you for taking such good care of Keith Haynes. We are so blessed to have such wonderful, caring people working there.

Special thanks to all the girls in A-wing for all that you did for Keith. You girls are very special.

*Keith Haynes Family*
