MISSOURI VETERANS HOME ST. JAMES

The men and women that now call MVH-St. James home have lived all over the world and have an abundance of history to share. Mr. Joe White is no exception.

Joe joined the Naval Reserves while still in high school, at the age of 17. He says that he wanted to see the world. In 1940, he was called up for active duty and was sent to the Hawaiian Islands. He was stationed on a destroyer ship called the USS Schley, built in 1918.

On December 7th, 1941 Joe was on a weekend pass in Honolulu staying at a local Y.M.C.A. "I was going to the 8:00am Catholic Mass and heard the bombing, but did not know what was going on. A bus then pulled up and we were told we had to go back to the ship, that we were under attack. I remember that

Joseph M. White Jr.

from the area." Joe stated that they returned to the ships before the second wave of the attack hit. He stated that he fed shells into a 3"/50 caliber gun that was on deck. After the smoke cleared, Joe said that they did not have time to rest, "we stayed very busy making repairs on the ships as fast as we could."

The attack killed 2,403 U.S. personnel, including 68 civilians, and destroyed or damaged 19 U.S. Navy ships, including 8 battleships.

After serving 4 years in the Navy Joe returned home. Joe stated that his dad told him that he had to get off the couch and get a job. So he went to work for the Terminal Railroad, just like his dad. During that time he met

the love of his life, Miss Loretta Riner. They married a year later and had five children: Barbara, Connie, Cindy, Joey, and Bobby.

Joe worked for the railroad as a Switching Foreman and retired after 17 years of service.

A couple years later he had the idea to open Coachlight Inn in Leasburg, MO. It was a bar and grill that he and his family owned

and operated for over 17 years. He stated that everyone said he could cook a mean steak.

After officially retiring Joe enjoyed traveling with his wife, spending time with his 28 grand kids, and reading historical books.

Joe said that he enjoyed being in the military because he got to see so many different things; the Hawaiian Islands, the beautiful sea, and even a leper colony. Joe stated, "I even got to go inside of a volcano once. It was above the clouds and you could look down and see the islands below."

Joe said that the one thing he could share after 92 years of living life is to compromise, "that is how my wife and I got along so well, I should know we were married for 62 years."

We are proud that Joseph M. White chooses to call MVH-St. James his home!

~ Greetings From Administration ~

Spring is just around the corner and with that comes new growth! Missouri Veterans Home is pleased to announce some new staff members who have joined our team or who have been recently promoted.

We would like to welcome to our team: Kristen Smith, Assistant Administrator comes to us from the Jefferson City area where she lives with her husband, Brandon. She has many years of long term care experience. Tammie Dodson, Personnel Clerk lives in the Salem area with her husband, Jeff and their three children. She has been a State employee for approximately fifteen years in the human resource field. Lillian Zumwalt, Registered Nurse/C Core Unit Manager, Lillian currently lives in Rolla with her husband, Rich. Lillian has extensive long term care experience and looks forward to getting to know all of her C Core Veterans and their families. Lastly, we would like to congratulate Alanna Breen, CNA who has been promoted to a lead worker on B Core. Alanna has been working with our Veterans for

over six years.

On February 29, 2016, we held an Open House for everyone to see our beautiful new Chapel located near our Therapy department. We are very excited to have this area inside our main building that our Veterans, families, and staff can utilize anytime for their worship needs. We have also added a new memorial screen just outside the chapel to honor our fallen heroes.

In January, the Assistance League purchased a new transport van for our Veterans! This addition to our fleet will assist with MVH staff transporting Veterans to their many appointments. On average, we transport Veterans to approximately sixty appointments each week. This vehicle is top of the line and very comfortable for our Veterans. Please, if you haven't been to our home, stop by and visit or sign up to be a volunteer. It's the most rewarding thing you will do! Thank you for supporting our Heroes.

Sincerely,
Cathy A. Haynes, Administrator

Missouri Veterans Home Assistance League News

Hello everyone at the St. James Veterans Home and community. My name is Steve Conrad, your newly elected Assistance League Board President.

Our members include:

Mr. Dennis Wilson, Vice President • Mr. Don Olds, Treasurer • Mrs. Terry King, Secretary • Mr. Stan Kardasz • Mr. Dick Pirtle • Mr. Bob May • Mr. Wilbert Falke • Mr. Lowell Wynn

Our core mission is to purchase items not available with state funds and that benefit the majority of our resident Veterans. In January, we made a major purchase of a new silver Dodge van to enable our Veterans to be transported to their medical appointments. These purchases are made possible by the very generous contributions and fund raising activities throughout our community.

The next big fund raiser is a trivia night on April

30th, at the VFW in St. James. If you would like more information about this event please contact Lorie Steen, Supervisor of Volunteer Services. We still have team space available or if you would like to donate a silent auction or door prize item that would be great too!

It is my great honor to serve as President of your Assistance League with such a dedicated group of board members. I would also like to say thank you to Mr. Dick Pirtle for doing such an outstanding job as Interim President last year.

Let us always remember all those who have served and our service members currently on duty world-wide.

Steve Conrad, President

Our Adopt-A-Vet Program was a grand slam for our Veterans! Thank you to all who participated in our fundraising event. You truly make a difference in the lives of our Veterans at MVH-St. James.

Ruby Hendryx enjoys her new Cardinals ball cap courtesy of Sons of the American Legion Post 99.

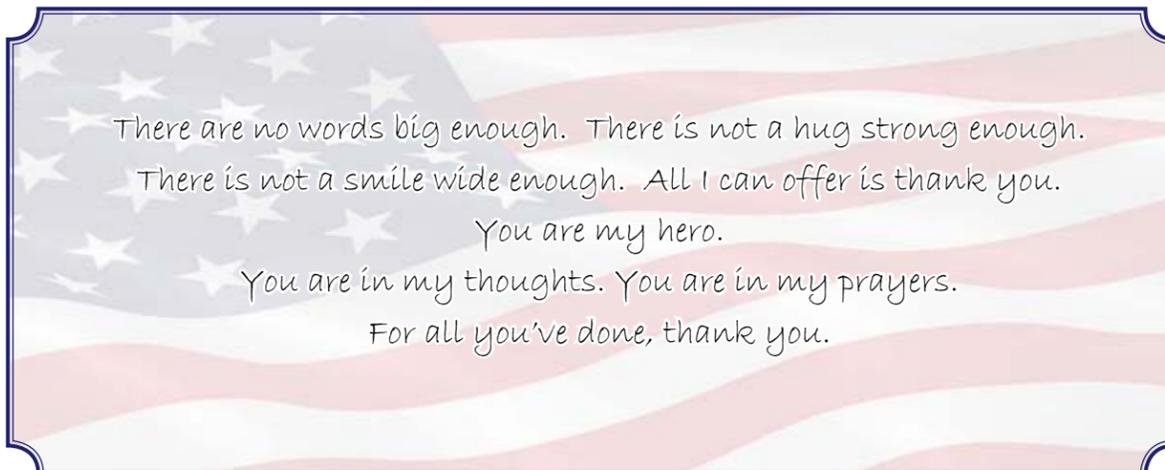

Mr. Emmet Fink opening his Christmas gift at our annual holiday party.

Mr. Clarence Romine accepts a donation for \$500.00 from Dale Koch with the American Legion Post 366.

Mr. James Tripp and Mr. Harvey Thomas check out their new electric razors that Santa brought.

Sons of the American Legion Post # 99 from Salem have supported our Adopt A Vet program for the last 4 years! This year they raised \$7,500 for our Veterans. At a holiday event they had lots of "elves" to help hand out treat bags, gloves, and Cardinal ball caps to ALL our Veterans! Thank you Post #99 and citizens of Dent county for your continued support for our home.

Veterans... Here, There and Everywhere!

We sure have been busy having fun... Here are just a few photos of our Veterans here at MVH - St. James.

Mr. Ken Barnes looks like he found some mischief with that big smile on his face.

Mr. Jim Tripp enjoys meeting McGwire and his handler from the Wild Bird Sanctuary.

Sure hope Truman, our very own Eagle mascot, does not get jealous that another bird was getting all the attention!

Mr. Kenny Bales sings a few tunes with Shirley Robinson and the Wildrose Band at the BBQ Bivouac event held in November.

Mr. Bob Moffet looks like he may have had two desserts with that big smirk on his face!

Major John Motel and staff from the South Central Correctional Center presented Miss Ophelia Parkinson with a large donation of afghans and artwork for our Veterans.

Santa must be good friends with the U.S. Army Corp of Engineers, because they sure brought a lot of gifts for our Veterans this holiday.

Thank you Team RWB for choosing MVH-St. James to host your half marathon and 3 miler event. We had a huge turn out of runners with amazing weather. AND... we raised over \$7,000.00 for our MVH Vehicle Fund!

Lorenzo Valdivia with Team RWB presents a check to the Missouri Assistance League to go towards a new van.

Legacy Vet Riders presented a check in the amount of \$300.00 to our Assistance League President, Steve Conrad.

No Truman, you can not drive the Twisted Addiction monster truck!

We have an amazing staff that truly care for our Veterans each and every day. Pictured above are Natalie McDonald, CNA and Mr. Bobby Lewis. Natalie has worked at MVH for over 12 years!

We had over 1000 trick-or-treaters visit our home, that sure is a lot of candy. I think that Mr. Jim Gratzler and Mr. Joe White may have had a few pieces too.

Even the St. James Tiger Cubs saved their pennies to adopt our Veterans.

Mr. & Mrs. Darrell Swaim always have fun handing out candy and seeing all the little monsters that are out on Halloween.

The students of St. Patricks School came to our home to spread a little holiday cheer. They even brought lots of wish-list items for our Veterans!

Wreaths Across America

Each year the program involves a nationwide ceremony followed by placing of the wreaths. Mr. Art Compton is the organizer for the St. James Veterans Cemetery Wreath Program. He and his wife, Jan have been very dedicated to this program for over 7 years.

“We are very blessed and honored to have so much community involvement volunteering for such a great cause. It is truly a beautiful site to see all the headstones with a wreath during the holidays”, stated Lorie Steen, Supervisor of Volunteer Services.

If you are interested in sponsoring a wreath or volunteering with Wreaths Across America, here at St. James, please contact Art and Jan Compton at 573-885-7228. This year the event will be held on December 17th, 2016.

Mr. Art Compton speaks about the importance of remembering the men and women that have fought for our country and our freedom.

Mr. Paul Salois places the Air Force wreath at the ceremony.

Mr. Earl DeFoe helps Lorie Steen, Supervisor of Volunteer Services place wreaths on some of the stones.

Barb McDowell

Miss Barb has been volunteering at the Missouri Veterans Home for almost 7 years. She always has a smile on her face no matter if she is jammin out with a bluegrass band or playing games with our Veterans. We feel truly blessed to have such a caring

and talented lady on our team.

Barb says that she enjoys playing and making crafts with her grandkids. She also loves to paint on canvas. Barb's favorite saying is "Make sure to help others along the way of life."

"When I volunteer at MVH I try to make the Veterans laugh, to lighten the load they have to carry, plus I hope they see that I am concerned about them. I try to see the good in people and I feel their goodness and kindness towards me, and that makes me happy," said Barb.

MISSOURI VETERANS HOME

The Missouri Veterans Home-St. James has the distinguished honor of being the oldest of seven Veteran's homes in the State of Missouri. The home was first established in 1896 by the Women's Relief Corps. Its original purpose was to provide care to aging Missourians who had fought for the Union in the Civil War. We now care for Missouri Veterans who served our country and fought to preserve our freedoms. The Missouri Veterans Home currently provides medical and skilled nursing care to Veterans who meet the following qualifications for admission:

- A Veteran who served active military service and who was discharged or released from service under conditions other than dishonorable.
- Has lived in the State of Missouri for at least 180 days (at any time in their life.)
- Has a need for services.
