Missouri Cannabis Regulatory Program

Update

Tara McKinney
Public Outreach Director

Division Mission Statement:

A program that provides safe and secure access to cannabis for qualifying Missouri patients and adult consumers over the age of 21 years through consistent regulation, enforcement, and education.

Article XIV, Section 1

Patient Rights:

- Discuss freely with their physicians the possible benefits of medical marijuana use;
- Use medical marijuana for treatment under the supervision of a physician.
- A program that provides safe and secure access to cannabis for qualifying Missouri patients and adult consumers over the age of 21 years through consistent regulation, enforcement, and education.

Article XIV, Section 2

Purpose:

The purpose of Amendment 3 is to make marijuana legal under state and local law for adults 21 years of age or older, and to control the commercial production and distribution of marijuana under a system that licenses, regulates, and taxes the businesses involved while protecting public health.

Article XIV, Section 2

The intent is to prevent:

- Arrest and penalty for personal possession and cultivation of limited amounts of marijuana by adults 21 years of age or older.
- Remove the commercial production and distribution of marijuana from the illicit market.
- Prevent revenue generated from commerce in marijuana from going to criminal enterprises.
- Prevent the distribution of marijuana to persons under 21 years of age.
- Prevent the diversion of marijuana to illicit markets.
- Protect public health by ensuring the safety of marijuana and products containing marijuana; and ensure the security of marijuana facilities.

Article XIV, Section 2

Highlights:

- Removes state prohibitions on purchasing, possessing, consuming, using, delivering, manufacturing and selling cannabis for personal use for adults over the age of 21.
- Requires a registration card for personal cultivation with prescribed limits.
- Establishes a lottery selection process to award licenses and certificates.
- Issues equally distributed licenses to each congressional district and Imposes a 6% state sales tax on the retail price of cannabis to benefit various programs.

Article XIV, Section 2

Highlights continued:

- Qualified Patients' purchase limits to increase from 4 ounces to 6 ounces in a 30 day period.
- Patient identification card fee is \$25 and valid for three years instead of 12 months.
- Qualified patients can possess up to a 60-day supply or 12 ounces without penalty.
- Reduces patient renewal of cultivation license from \$100 to \$50 every three years. However, adult use home growers will need to annually renew their cultivation registration card for \$100 annual fee.
- Patient can only grow for personal use while adult growers can give their harvest to others as long as no money is exchanged or other commercial transaction takes place.
